

AYU ANDINI

Hello

I am a designer specializing in UI/UX design. I help my clients create and strengthen their brand and visual identity.

UI/UX DESIGN
PORTFOLIO 2023

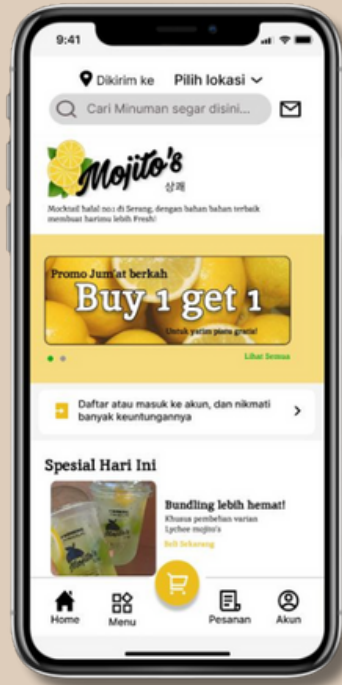

ABOUT ME

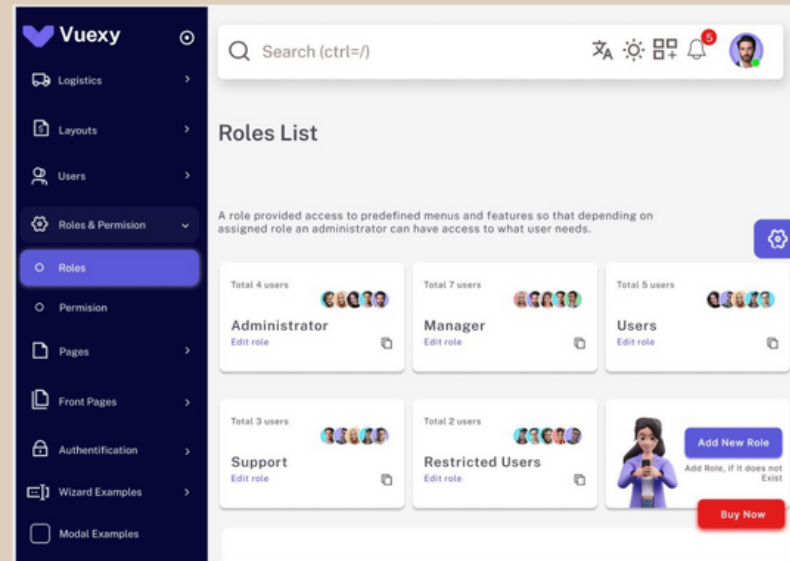

Hi, Call me Ayu, I'm Passionate 25 years old who really love Design and Technology. I graduated with a bachelor's degree in informatics engineering. I have a passion for solving problems, building sustainable solutions, and learning as much as i can about things that interest me.

WORK

01. MOBILE DESIGN

02. WEB DESIGN

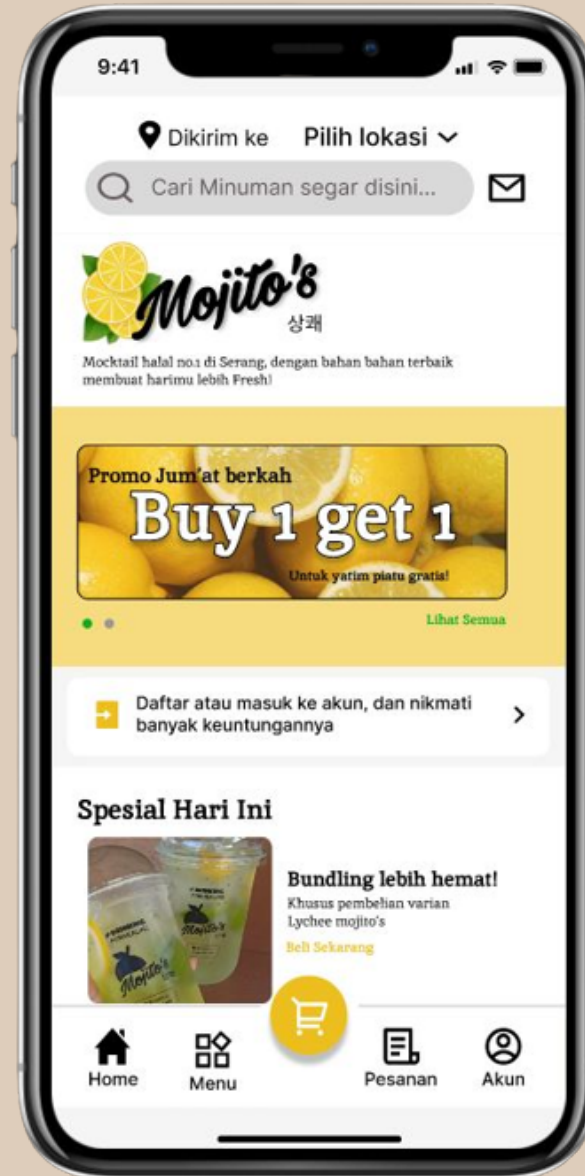

03. POSTER DESIGN

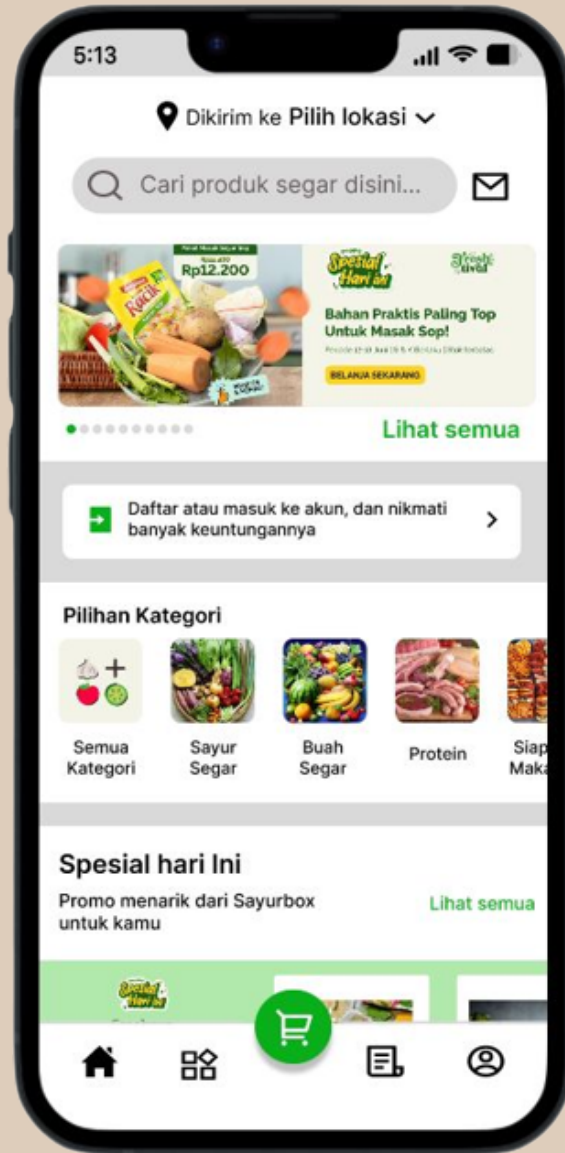

01. MOBILE DESIGN

Designed the application mobile of clients in industries like sales of document services.

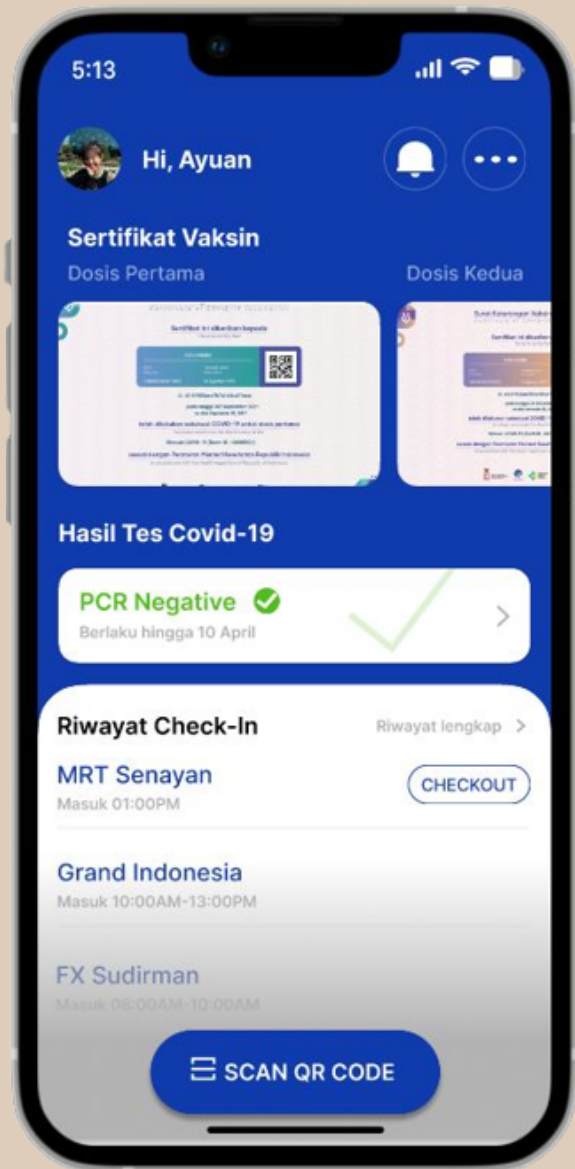

PROJECTS I'VE WORKED ON

This mobile design aims to sell drinks and food that can be ordered through the application.

PROJECTS I'VE WORKED ON

Redesign the Sayurbox application. This design serves to make it easy for users to shop online for vegetables, fruit and other needs.

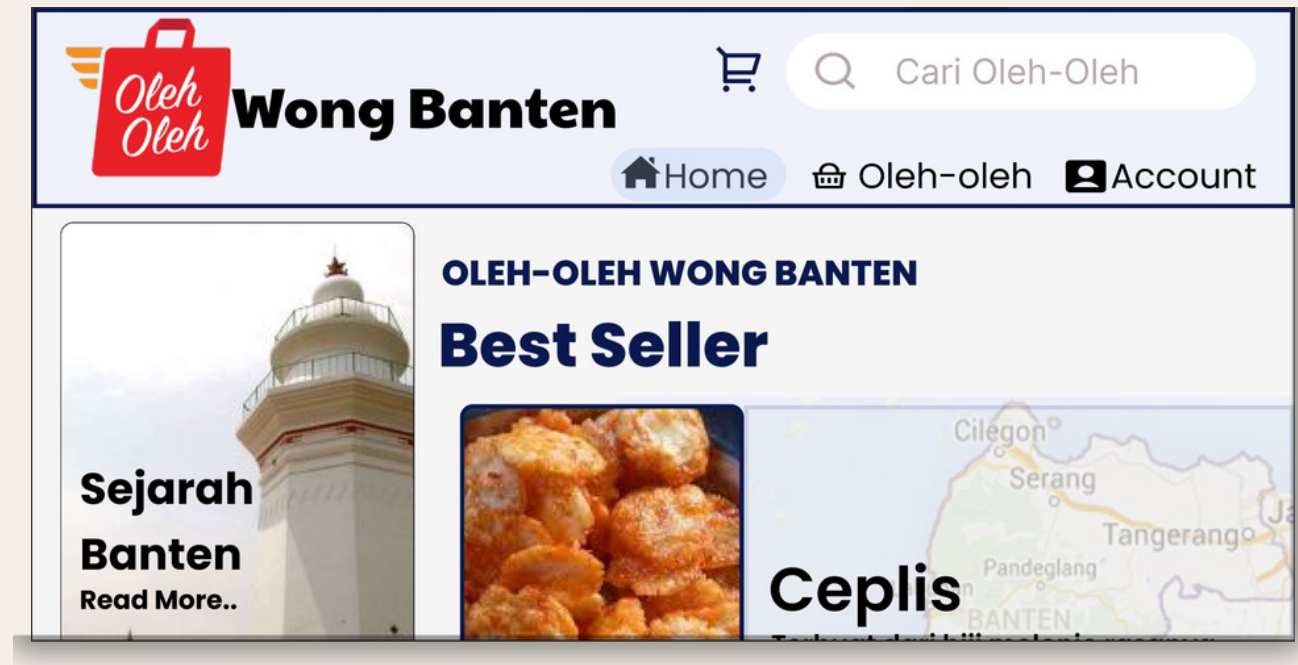

PROJECTS I'VE WORKED ON

Re-design the Peduli Lindungi application that is most often used during the Covid-19 pandemic. This design serves to provide convenience for users, with a system that is even more efficient and easily accessible by fingers.

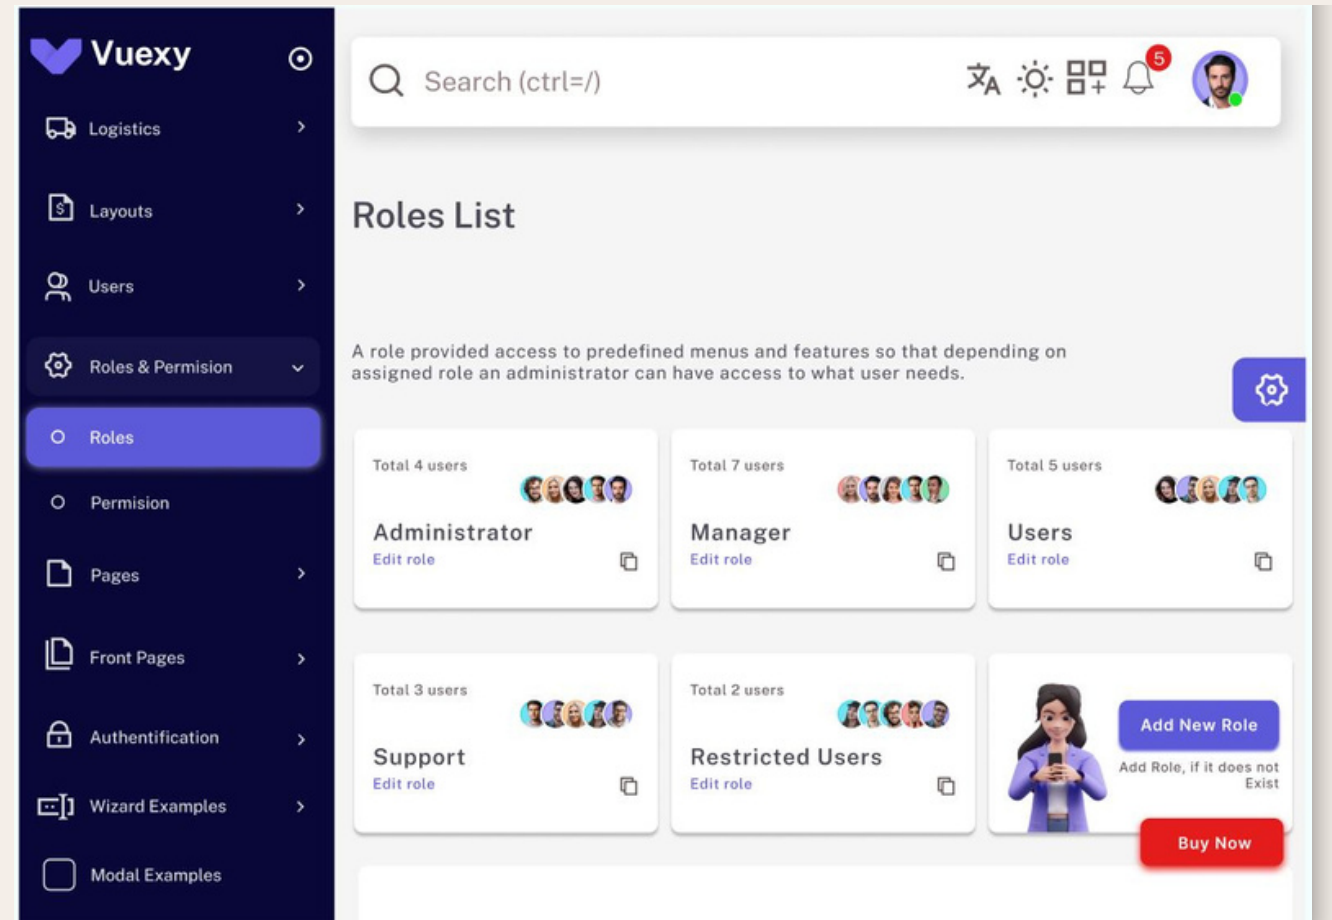

02. WEBSITE DESIGN

Designed the website of clients in industries like arts and culture, publishing, entertainment, and small gifts

PROJECTS I'VE WORKED ON

I created this website for my practice in designing a website that looks clean, simple and user friendly.

03. POSTER DESIGN

Design this poster has the meaning to keep chasing dreams which are so beautiful with full of hope
